EDUCATION

Purdue University – West Lafayette, IN

Aug 2024 - Present

- Bachelor of Science in Robotic Engineering Technology
- Minor in Atmospheric Sciences

WORK EXPERIENCE

GSI – (Indiana Department of Environmental Management Intern) - Brownstown, IN May 2026 – Aug 2026

- Designed, structured, and maintained Clean Communities Program SharePoint sites and portals, modernizing page layouts, navigation hierarchy, and user accessibility for internal staff and external municipal stakeholders.
- Managed an IDEM outreach booth operation at high-traffic public events, fielding inquiries on regulatory initiatives and boosting community engagement in state sustainability programs.

Wiley Dining Hall – Student Cook (Purdue Dining) – West Lafayette, IN

Oct 2025 – Present

- Worked effectively as part of a team in a high-volume, fast-paced environment serving hundreds of customers daily.
- Followed strict safety, sanitation, and operational procedures to maintain quality standards.

Dickson's Gifts: Floor Worker - Seymour, IN

March 2023 – Aug.2024

- Worked on the floor and floated around doing many jobs, including printing banners/ artwork, working on assembly lines, and using transparent artwork to transfer onto products like mugs and license plates

Mayor's Intern – Seymour, IN:

June 2023 to Aug. 2023

- Shadowed the Mayor, did research on our city's stores, and advised as to what could be done to improve the city. Data transfers as well from paper to digital.

EXTRACURRICULAR

Whiteland, IN 2023 Tornado Case Study – Purdue University (West Lafayette):

April 2025 to May 2025

- This case study reviews how the March 31, 2023, EF-3 Whiteland tornado's short warning time and severe damage emphasize the need for better detection and stronger community preparedness.

Team Leader for Orientation – Purdue University (West Lafayette):

April 2025 to Sep. 2025

- Participated as a Team Leader (TL) for BGR. New students were led and shown around campus. Ice breaker games were also conducted.
